IES Membership Benefits and Information

# JOIN IES: Individuals with Common Interests

---

The IES seeks to improve the lighted environment by bringing together those with lighting knowledge and by translating that knowledge into actions that benefit the public.

# JOIN IES: Individuals with Common Interests

---

This organization is made up of people – individuals with a scholarly interest in the application of the science and the art of lighting. The IES is a technical society and brings people together who share similar interests.

# JOIN IES: Make Connections

---

Member of the IES are consultants, researchers, designers, educators, manufacturers and consumers who are involved in lighting by profession.

# JOIN IES: Make Connections

---

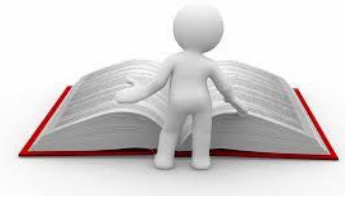

With over 8,000 individual members worldwide, IES connects leaders in lighting.

These are relationships that enhance the lives of members both personally and professionally.

## JOIN IES: Be In the Know

---

Active IES members are ‘in the know’ about the most up-to-date lighting research and recommended practices, making them stronger in their trade and more valuable to employers and clients.

# *HOW?*

# Join IES: Be In the Know

---

*Membership includes educational opportunities, members are 'In the know'.*
