

The Kay Ferguson Scholarship Award

The IES BC Section is pleased to present The Kay Ferguson Scholarship Award, in honour of Kay Ferguson for her contribution of over 50 years to IES and our local board. This scholarship of \$2000 will be awarded to a current IES Emerging Professional member or a Student member in good standing.

Kay is one of those special people who contribute her time without question or without strings attached. One might say “for all the right reasons”.

She has served the IES nationally as Regional Vice President from 1997 to 2000. Besides her section duties, she was on the Regional Board of Managers for the more than 10 years and has been an IIDA Awards International Judge 4 times.

Within the lighting community in North America, you can mention Kay’s name and people know her. Kay is a strong member of our lighting community and has mentored many of us locally, regionally and nationally.

Qualified individuals must submit the following materials to the IESBC Board to be considered.
