

INTERMEDIATE LIGHTING COURSE
Registration Information 2019

The Intermediate Lighting Course is a 10 session course. Upon successful completion of all the sessions a certificate will be awarded. There will be homework after each session and a final individual project to be presented on the last night. This educational program is designed as the “next step” for those who have already completed Fundamentals of Lighting or those with a number of years of experience in lighting. This course is a good next step for those preparing for the NCQLP – LC exam.
